

TRASH HOT SPOT SELECTION FORM

City of Dublin

Site ID: Dublin_Alamo Canal_1

Site Information

Waterbody: Alamo Canal (hot spot length: 300 feet)

Site Location: Dublin Boulevard, the City's major east-west connector, transects the selected hot spot. The selected hot spot limits are the 300' immediately north of Dublin Boulevard. The Dublin Civic Center is located south of the hot spot. Commercial uses are located on the west side of the hot spot and industrial uses are located on the east side of the hot spot.

Jurisdiction: City of Dublin

Ownership: Zone 7 of the Alameda County Flood Control & Water Conservation District

Agency Contact: Martha Aja, 925-833-6650, martha.aja@ci.dublin.ca.us

Justification

Information Supporting Selection as a Hot Spot (Attach additional photos as necessary):

This trash hot spot selection has been identified, through both Zone 7's and the City of Dublin's maintenance inspections, as having trash problems. This trash spot is located adjacent to Dublin Boulevard (a major thoroughfare), commercial uses and industrial uses. The cars on Dublin Boulevard and the adjacent businesses are likely the biggest contributor to the trash issue in this section of Alamo Canal.
